You need to visit the registration setup site from a computer that is already on the SafeConnect network by visiting the following URL: https://safeconnect.capital.edu:9443/enroll
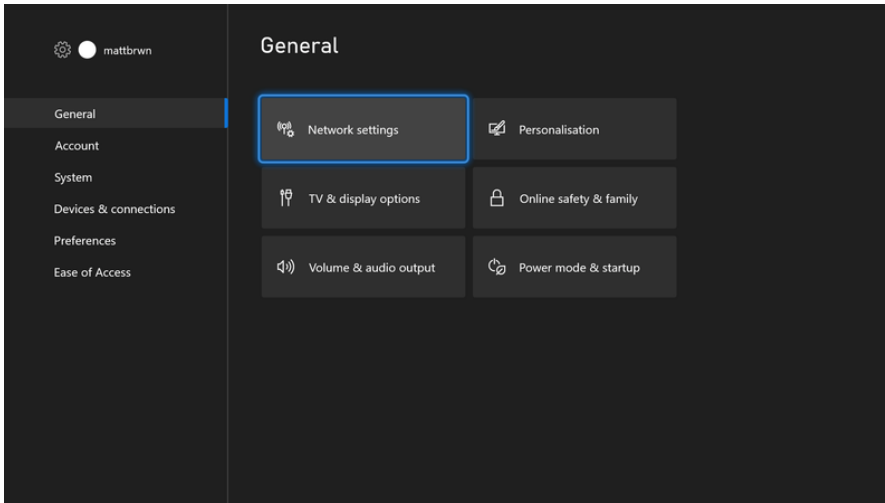

Do not login yet, now you may follow the instructions below on your Xbox

1. On your Xbox Series X|S, **open the Xbox Guide by pressing the "Xbox" button** in the middle of your controller.
2. Once the Guide is opened, scroll to the "**Profile & system**" tab

3. On the "Profile & system" tab of the Guide, navigate to the "**Settings**" button and open Settings on your console.
4. Once Settings is opened, navigate to the "**General**" section located at the top.

5. Inside the "**General**" section of Settings, navigate to and open the "**Network settings**"

6.   Inside the "Set up wireless network" section, your Xbox Series X|S will display a list of available wireless networks currently in range. Find **Capital-Registered** and connect to it. The password is **cap4you2**

7. Now (**with your computer**) log into the registration website with your Capital credentials and complete the form. You will need to enter the MAC address of your Xbox, which can be found in **Advanced Settings.**

    a. Example MAC address: **00:1B:44:11:3A:B7**

NOTE: Be sure to enter the MAC address for Wi-Fi, not a LAN cable.
