

## Changing Majors?

Here are the **Department Chairs** (they sign the form and assign Academic Advisors). The **Assistant** can also help connect students to the Department Chair!

### Tips for Emailing Faculty

- When emailing faculty, always begin with their proper title (i.e. Dr. or Professor)
- If you are trying to set up a meeting, don't ask them when they are available. List YOUR availabilities that week, and ask if any of those times work for them.

To find a list of all faculty emails, go to [capital.edu/directory](http://capital.edu/directory).

The form and instructions for changing your major can be found at [capital.edu/major-change](http://capital.edu/major-change)
